

## Good Hope Country Day School Financial Aid Policy 2021-22

Good Hope Country Day School strives to enroll a diverse student body, including talented students from all socio-economic backgrounds. The school's advancement office raises funds beyond tuition dollars to help the school allocate approximately 17% of its budget to financial assistance. In 2020-21, these dollars totaled \$796,100 and assisted nearly 50% of students.

To apply for financial assistance, a student must first be offered admission to the school. The family must then complete and turn in the Application for Financial Aid along with a copy of the most recent tax return, including all schedules. **Applications are due by Monday, May 17. Applications received after May 17, will be considered pending availability of funds.**

Please note the following guidelines:

1. Parents are expected to contribute to the cost of their children's education to the best of their ability, considering the resources of both natural and step-parents, grandparents, and other close family members. Financial aid will generally not exceed 50% of tuition.
2. In the case of divorce or separation, the custodial parent must secure the necessary financial information from the non-custodial parent.
3. Renewal of financial aid awards is not automatic; parents must reapply each year in order to be considered for assistance.
4. Although assistance is based on need, students are expected to demonstrate and maintain the academic and behavioral standards of the school, including honoring the school's four Core Values: Respect, Scholarship, Citizenship, and Integrity.
5. Students and parents who receive financial assistance should be aware that funds are available in large part due to generous contributions made to the school for this purpose. All parents, including financial aid recipients, are strongly encouraged to contribute to the Annual Fund, regardless of the amount, since this encourages alumni and friends of GHCDS to give as well.
6. Financial aid awards are based on the following factors:
  - a. The family's financial situation
  - b. Space availability in the grade(s) applied for
  - c. Academic and behavioral records
  - d. Past payment history (for returning families)
  - e. Student and family participation in the life of the school (past or anticipated)
7. No application will be processed until all required information, including the most recent tax return with all schedules, has been submitted.
8. The financial aid committee is composed of several members of the GHCDS administration. This committee reviews all applications and materials in the strictest confidence. The names of financial aid recipients are not disclosed to anyone other than those GHCDS employees who serve on the financial aid committee and/or administer the financial aid program.
9. Good Hope Country Day School does not discriminate on the basis of race, color, religion, sexual orientation, or national or ethnic origin in the administration of its admission, financial assistance, educational, or other school policies.
10. All applicants should embrace Good Hope Country Day School's mission: Cultivate reflective, creative, and compassionate students who are critical thinkers prepared to excel in college and empowered to better their island and the world.
