

Good Hope Country Day School
St. Croix, U.S Virgin Islands
"A World-Class Education in America's Paradise"

Position: Upper School Math Teacher
Reports to: Head of Upper School

The upper school math teacher will teach several courses ranging from algebra to calculus. They will form part of a collaborative, talented math department eager to incorporate best practices from around the world (our primary curriculum is College Prep Math – CPM – which uses a collaborative, inquiry, team-based approach to learning).

Core Responsibilities:

Upper School Math (likely to include the following)

- Teach AP-Calculus
- Teach Calculus
- Pre-calculus

Other

- Participate in all upper school events and activities as a member of the upper school faculty

Qualifications

Bachelors Degree required. Masters Degree preferred. Must have at least two years experience teaching upper school math. Strong interpersonal and communication skills. Highly proactive and eager to have an impact on evolving math program.

Start Date

The position will begin August 2019 for the 2019-20 school year. Ideally the candidate will be available to attend one week of training in Utah for College Preparatory Math (CPM), the middle and upper school math curriculum.

Compensation

To be determined based on candidate qualifications.

How To Apply:

Interested candidates should send a cover letter, resume, and three references to Ms. Dawn Grey, Upper School Head, at dgrey@ghcds.org.

About Good Hope Country Day School

Founded in 1964, The Good Hope Country Day School is a 360-student, Nursery-12th grade, co-ed private school on beautiful St. Croix of the U.S Virgin Islands.
